✓ In response to the Restriction Requirement mailed March 18, 2002, Applicants hereby elect to prosecute composition claims of Group I, in the present application (Claims 1-16, 21-23 and 28). Applicants make the election with traverse. The compounds of the identified groups I and group V are sufficiently related so as not to unduly burden the Examiner in making a search.

No amendment of inventorship is necessitated by this election.

Early allowance of the claims is requested. Should the Examiner believe that a conference with applicants' attorney would advance prosecution of this application, he is respectfully invited to call applicants' attorney at the number below.

Respectfully submitted,

Dated: April 16, 2002
